

RECITAL SHOWCASE

MRS. DANCE

6PM

June 7

AUDITORIUM

8400 Wicker Ave

LAKE CENTRAL

High School

M2 has been a labor of love from day one. It has always been our personal mission to create an inspired learning experience for dancers of all levels while assisting them in reaching their personal best.

As we move forward with your dancer's training each of our staff understands that our success today is measured not only by being at the top of our game in an industry that is constantly evolving, but more importantly by maintaining the core value we started with... "a successful studio built on personal relationships." It is these same relationships that have permitted us to effectively share our knowledge and passion of dance with thousands of dancers.

While our allstar teams have won over 30 national championships, our alumni have gone on to dance with the Indianapolis Colts and Pacers, Chicago Luvabulls, Columbia College, San Diego State University, Indiana University, Purdue University, Butler University, Ball State University, Indiana State University, Notre Dame University, DePaul University, Duke University, and other collegiate and professional programs. As we move forward with our recital celebration we graciously thank you for trusting us with your most precious gift.

Enjoy the show and please heartedly support our amazing dancers.

Dear Parents

As you sit in the auditorium, take a moment to feel grateful for your child's healthy body and the opportunity they have to express themselves through dance.

The commitment made by you, your child, and at times the entire family, is significant. Remember as your dancer grows with us at M2, they learn valuable skills that will benefit them in all aspects of life.

Years from now, when they have grown and moved on, you will look back on this time and wish you could relive it. Sitting in the auditorium to watch your child on stage is a memory that will stay with you forever!

So, enjoy this time and look for all the little things to be grateful for. By supporting your child's passion for dance, you are instilling in them the best that life has to offer.

Things to know

Place your phone on silent so that those seated around you may enjoy their child's final dance of the year.

We kindly ask you refrain from taking video or still photography. Flash photography is distracting and presents a safety hazard to the dancers. Additionally, those seated around you would prefer to watch the recital live rather than through your raised camera.

There will be a 15-minute intermission between the 1st and 2nd Acts. Please reserve this time to move through the auditorium and return to your seat on time.

If you must move before an Act is completed, wait between performances to relocate to or from your seat.

No food or drink (including water) is permitted in the auditorium.

Your warm applause is welcomed and expected. Our dancers have been working very hard and appreciate your recognition of their commitment.

Thank you for making this year so memorable and full of joy. We look forward to many more beautiful years ahead.
